[1] All of production time and shipping time are in business days. Production starts from the day that all of the production requirements are satisfied.

* The selected delivery date is only an estimation assuming the order experiences no delay due to order waiting for approval, proof request, incomplete payment, or any other issue that needs to be confirmed and resolved.

*** All checks require the order number to be written on the check's memo. Any check without the order number will be deposited but the order will not go in production until identified. Production will start after the check has cleared the bank and the order is identified.

**** Please verify your shipping address carefully upon the receipt of this invoice. Any address change or address correction requested after the order goes into the production might not be guaranteed and requires an additional charge of $35 per tracking number, which will also be automatically charged to the original payment form if the shipping carrier(s) identifies the incomplete or incorrect address issue and successfully makes the correction for the shipment delivery.
