Dear Travis and Mai,

let me introduce you to Mrs Pavla Kotašková, who is our contact point for the SOSP venue. She is aware about your request for extra half day on Monday Sept. 28. We agreed that Zodiac will be the best room for your workshop as you can stay there for both days and it is big enough to fit a small registration desk. The capacity of the room is 119 seats in theater setup or 50 in classroom setup. It's even possible to have a catering service there, but be aware that catering cannot be separated from seating area and will disturb the talks if they happen at the same time.

You can see the room at
https://clarion-hotels-cz.visualizer360.com/en/congress-hotel-prague?t=55353&p=84817&h=269.26&v=14.77&f=84

Please, let Pavla know what are your requirements and discuss the financial matters. Pavla is very helpful and I'm sure everything will be arranged to your satisfaction.

As for the registration, Martin (or somebody else from our teem) will be available at the place and will supply you with the badges.

Best regards,
-Michal
